Mr. J. Deas

Florence, South Carolina

Dear Sir:

As you probably know, I received a phone call from Brady Johnson asking me to bring the EAGLES to Florence on April 26th. I am very sorry the notice was so short as I might have been able to arrange my schedule to include Florence in it had Brady contacted me sooner.

However, we are playing in Spartanburg the 25th and Macon, Georgia the 27th, and I felt that the trip to Florence would be too far -- and too, our gasoline is rationed and we are having a little tire trouble with the bus. We will very probably be able to come to Florence later in the year.

I would appreciate hearing from you. What terms do you offer? What admission prices you charge, etc.

Very truly yours,

EFFA MANLEY
Business Manager
